The Florida Canary Fanciers—General Show

Chairman's Note

20th Annual 2016 Canary and Finch Show

I have been a member of the Florida Canary Fanciers Club since 2001, Newsletter Editor since 2010, President 2013,14 and 15, and General Show Chair for 2016 and I have to say that the 2016 show, was if not the best, one of the finest shows I have seen to date. It was a honor for me to act as your General Show Chairman for the 2016 Show. So many wonderful club members who stepped up and worked tirelessly during the show I thank you. I would also like to thank all our FCF members for supporting our show by exhibiting their birds, and all the fine judges who did a brilliant job. Our thanks also go out to the Rollers, George especially, and the Singers, Ninez and Brenda for all of their hard work. We all strive to breed the best bird in show, and to me all our birds we show are the best birds in show.

Thank you

Mike Corbeil

2016 FCF General Show Chairman

Congratulations to all winners and all exhibitors

show winners report

We thank everyone who exhibited, watched and volunteered. Every year it is a challenge to pull off this show and it takes many people's hard work to do just that. The truth is without the hard work everyone puts in each and every day with their birds is what makes our show great. Good work, well done, thank you and be safe. Have a safe Holiday Season and please come to the first club meeting of the new year, Sunday, January 15th, 2017. If you like what you saw and experienced please come and become a board member. We really need your help.

Sincerely

Mike
